

EXPLORE YOUR NEXT STEP

A 15 minute career activity for Oregon students and families

Two careers. One next step.

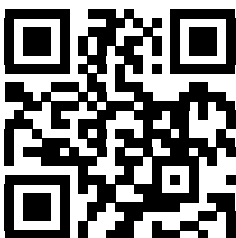

You do not need to choose your whole future today. Start with two careers that make you curious.

- 1 Choose two careers**
Browse edthenwhat.com. Write down two careers you want to learn more about.
- 2 Compare the possibilities**
What work would you do? What training is typical? What interests you about each option?
- 3 Find a program and a question**
Explore a listed Oregon program. Open its official website and check cost, entry requirements and availability.
