Agriculture Production

Blue Mountain Community College · Associate degree

Study crop, livestock and greenhouse production with access to the college's 100-acre educational farm. Practical learning includes planting, irrigation and integrated farm operations.

BEFORE YOU APPLY

Review applied mathematics and the balance of animal, crop and business courses.

TIME, SCHEDULE & APPLICATION

AAS; confirm the current course map. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

2026-27 resident tuition is $127 per credit, before required fees and program-specific charges. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

Farm management commonly requires experience as well as education. The award does not provide land, business capital or a management position.

YOUR NEXT THREE STEPS

1. Review the exact program. Check the award, entry checklist and next start.
2. Build your full budget. Include preparation, supplies and travel.
3. Explore the connected career. Compare duties, Oregon wages and required preparation.
