Heavy Equipment Operator — Level One

Baker Technical Institute · Noncredit

Explore heavy-equipment operation through introductory simulator and field practice.

BEFORE YOU APPLY

Ask which machines are included and how much individual seat time you receive. Review entry requirements and physical demands with the school.

TIME, SCHEDULE & APPLICATION

Approximately 120 hours · 3 weeks. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

The reviewed page does not provide a complete current price. Request tuition, equipment-related fees, protective gear and any travel or housing costs.

CREDENTIALS & OUTCOMES

Introductory training does not equal journey-level experience or guarantee authorization to operate every machine. Employers set job-specific training and safety requirements.

YOUR NEXT THREE STEPS

1. Review the exact program. Check the award, entry checklist and next start.
2. Build your full budget. Include preparation, supplies and travel.
3. Explore the connected career. Compare duties, Oregon wages and required preparation.
