Advanced Manufacturing and Fabrication

Columbia Gorge Community College · Associate degree

Builds from the 39-credit Advanced Manufacturing Technology certificate into a broader applied degree. Training includes welding, fabrication and computer-controlled production.

BEFORE YOU APPLY

Review measurement, blueprint reading and mathematics placement.

TIME, SCHEDULE & APPLICATION

92 credits · 2 years full-time. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

2026-27 in-state tuition is $125 per credit plus $35 in per-credit fees ($160 combined), before additional course-specific charges. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

Match the curriculum to machining, production or maintenance roles. Employer equipment qualifications and safety training are separate.

YOUR NEXT THREE STEPS

1. Review the exact program. Check the award, entry checklist and next start.
2. Build your full budget. Include preparation, supplies and travel.
3. Explore the connected career. Compare duties, Oregon wages and required preparation.

Program review: 2026-09-15. Evidence update: September 16, 2026.
