

CNC and Additive Manufacturing

Columbia Gorge Community College · Associate degree

Combines CNC manufacturing/quality-control and additive-manufacturing certificates with general education. The two certificate blocks can be taken in either order.

BEFORE YOU APPLY

Review measurement, blueprint reading and mathematics placement.

TIME, SCHEDULE & APPLICATION

90 credits · 2 years full-time. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

2026-27 in-state tuition is \$125 per credit plus \$35 in per-credit fees (\$160 combined), before additional course-specific charges. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

Match the curriculum to machining, production or maintenance roles. Employer equipment qualifications and safety training are separate.

YOUR NEXT THREE STEPS

1. [Review the exact program](#). Check the award, entry checklist and next start.
2. [Build your full budget](#). Include preparation, supplies and travel.
3. [Explore the connected career](#). Compare duties, Oregon wages and required preparation.

Program review: 2026-09-15. Evidence update: September 16, 2026.
