

Welding Fabrication

Chemeketa Community College · Associate

The published degree sequence is 21 months and combines welding with fabrication. It is longer than the separate 10-month certificate.

BEFORE YOU APPLY

Review the Welding Fabrication course map and have an advisor evaluate prior credits and placement before registering.

TIME, SCHEDULE & APPLICATION

21 months. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

Effective summer 2026, resident tuition is \$111 per credit plus a \$39 per-credit universal fee (\$150 combined) for these undergraduate certificate/associate courses. Course-specific charges are additional. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

Welding programs differ in processes, practice hours and fabrication content. Employer skill tests and certifications can be separate from a college award. Ask which processes are used by local employers.
