

Cybersecurity and Networking

Central Oregon Community College · Associate degree

An option within Computer and Information Systems combining a computing core with network/security study.

BEFORE YOU APPLY

Review computing and networking foundations before the security sequence.

TIME, SCHEDULE & APPLICATION

101–103 credits. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

2026-27 tuition is \$130 per credit for in-district residents and \$185 for out-of-district Oregon residents and qualifying border-state residents. Course, lab and other fees are additional; Oregon residency alone does not establish the in-district rate. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

Security analyst roles often require prior IT experience. Certifications, employer screening and hands-on projects are separate from the degree.

YOUR NEXT THREE STEPS

1. [Review the exact program](#). Check the award, entry checklist and next start.
2. [Build your full budget](#). Include preparation, supplies and travel.
3. [Explore the connected career](#). Compare duties, Oregon wages and required preparation.

Program review: 2026-09-15. Evidence update: September 16, 2026.
