

Nursing

Central Oregon Community College · Associate

Prepare for registered nursing through scientific study, practical learning and patient care.

BEFORE YOU APPLY

Complete the required prerequisites and review the current AAS application guide; general college admission does not secure a nursing place.

TIME, SCHEDULE & APPLICATION

Two-year nursing cohort after prerequisites. Ask which cohort location you can apply to and how clinical travel affects your week.

BUILD YOUR BUDGET

2026-27 tuition is \$130 per credit for in-district residents and \$185 for out-of-district Oregon residents and qualifying border-state residents. Course, lab and other fees are additional; Oregon residency alone does not establish the in-district rate. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

The nursing degree and authorization to practice are separate. Confirm graduation, NCLEX-RN and state licensing steps before assuming you can start work as an RN.
