

Paramedicine

Central Oregon Community College · Associate degree

The degree includes EMT and paramedic preparation and 600–800 hours in clinical and field settings. Entry, clinical clearances and certification examinations are separate steps.

BEFORE YOU APPLY

Review EMT preparation and the separate paramedic selection and clinical requirements.

TIME, SCHEDULE & APPLICATION

99–103 credits. Allow separately for prerequisite preparation, selection and the clinical start date.

BUILD YOUR BUDGET

2026-27 tuition is \$130 per credit for in-district residents and \$185 for out-of-district Oregon residents and qualifying border-state residents. Course, lab and other fees are additional; Oregon residency alone does not establish the in-district rate. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

National testing and Oregon licensing are separate from completing the degree. EMT and paramedic scopes of practice differ.
