## BEFORE YOU APPLY

Review the undergraduate curriculum and the additional graduate route needed if your goal is licensed therapy.

## TIME, SCHEDULE & APPLICATION

4 years · 120 degree credits. The provider describes internship or research experience and service commitments; ask how these fit your weekly schedule.

## BUILD YOUR BUDGET

2026-27 traditional on-campus undergraduate tuition is $38,864 annually for 12-18 credits per semester, before fees, books and living expenses. Online undergraduate pricing differs. These are published charges before financial aid, not the full award price. Add remaining program and living expenses; compare your cost after confirmed aid.

## CREDENTIALS & OUTCOMES

This undergraduate degree does not qualify you as a licensed psychologist or therapist. Human-service support roles vary in their entry requirements; clinical practice generally requires additional education and professional approval.
