Agriculture Entrepreneurship

Eastern Oregon University · Bachelor

Combine agriculture and business to explore production, enterprise planning and rural economic opportunities.

BEFORE YOU APPLY

Bring any agricultural, business or science coursework to an advisor for transfer review. Identify whether your interest is production, an agricultural service business or another enterprise.

TIME, SCHEDULE & APPLICATION

4-year example · transfer pathways available. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

For 2026-27, on-campus resident undergraduate tuition is $213.60 per credit plus $693 in listed fees per term. Online/onsite undergraduate tuition is $337.50 per credit. Business-related courses add $15.10 per credit. New-student matriculation is $350 on campus or $250 online; books and living costs are additional. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

An agriculture-business degree builds a foundation. Running a farm or business also takes experience, resources and a viable plan; it does not guarantee business income.

YOUR NEXT THREE STEPS

1. Review the exact program. Check the award, entry checklist and next start.
2. Build your full budget. Include preparation, supplies and travel.
3. Explore the connected career. Compare duties, Oregon wages and required preparation.
