Accounting

Klamath Community College · Associate degree

Study accounting and finance for organizational work or later study. Ask an advisor to separate the applied associate route from any transfer plan or professional-accounting certification.

BEFORE YOU APPLY

Review spreadsheet, mathematics and business-writing preparation.

TIME, SCHEDULE & APPLICATION

AAS; two-year full-time planning route. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

2026-27 resident rates vary by course: lecture $125.50 per credit, lecture/lab $180.50 and lab $262. Nursing and surgical-technology lecture/clinical rates are $162.50/$415.50 per credit. Use your actual course mix; a single lecture rate cannot price the whole program. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

This is an accounting-support route. It does not confer CPA licensure; professional accounting roles may require further education.

YOUR NEXT THREE STEPS

1. Review the exact program. Check the award, entry checklist and next start.
2. Build your full budget. Include preparation, supplies and travel.
3. Explore the connected career. Compare duties, Oregon wages and required preparation.
