Cybersecurity and Networking

Klamath Community College · Associate degree

Combines networking, computing and end-user support with cybersecurity study. The page lists certification-aligned courses; confirm current exam versions and whether vouchers are included.

BEFORE YOU APPLY

Review computing and networking foundations before the security sequence.

TIME, SCHEDULE & APPLICATION

AAS; two-year full-time planning route. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

2026-27 resident rates vary by course: lecture $125.50 per credit, lecture/lab $180.50 and lab $262. Nursing and surgical-technology lecture/clinical rates are $162.50/$415.50 per credit. Use your actual course mix; a single lecture rate cannot price the whole program. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

Security analyst roles often require prior IT experience. Certifications, employer screening and hands-on projects are separate from the degree.

YOUR NEXT THREE STEPS

1. Review the exact program. Check the award, entry checklist and next start.
2. Build your full budget. Include preparation, supplies and travel.
3. Explore the connected career. Compare duties, Oregon wages and required preparation.
