# Diesel Technology

Klamath Community College · Associate degree

Study diesel engines, drivetrains, brakes, suspension, electrical systems and preventive maintenance.

## BEFORE YOU APPLY

Review shop safety, applied mathematics and diagnostic-tool expectations.

## TIME, SCHEDULE & APPLICATION

AAS; two-year full-time planning route. Prior credits, prerequisite placement and course availability can change your personal completion date.

## BUILD YOUR BUDGET

2026-27 resident rates vary by course: lecture $125.50 per credit, lecture/lab $180.50 and lab $262. Nursing and surgical-technology lecture/clinical rates are $162.50/$415.50 per credit. Use your actual course mix; a single lecture rate cannot price the whole program. Add remaining program and living expenses; compare your cost after confirmed aid.

## CREDENTIALS & OUTCOMES

The degree supports diesel service work. A commercial driver license and industry certifications, if needed for a job, have separate requirements.

## YOUR NEXT THREE STEPS

1. Review the exact program. Check the award, entry checklist and next start.
2. Build your full budget. Include preparation, supplies and travel.
3. Explore the connected career. Compare duties, Oregon wages and required preparation.
