Registered Nursing

Klamath Community College · Associate

An AAS nursing route with an emphasis on preparing nurses for rural communities.

BEFORE YOU APPLY

Review the RN prerequisites and current selection criteria, rather than the separate LPN or RN-to-BSN pathways.

TIME, SCHEDULE & APPLICATION

Confirm prerequisites plus the RN sequence. Allow separately for prerequisite preparation, selection and the clinical start date.

BUILD YOUR BUDGET

2026-27 resident rates vary by course: lecture $125.50 per credit, lecture/lab $180.50 and lab $262. Nursing and surgical-technology lecture/clinical rates are $162.50/$415.50 per credit. Use your actual course mix; a single lecture rate cannot price the whole program. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

An associate or bachelor’s nursing route can prepare students for RN licensure. Prerequisites and competitive clinical admission can add time before the nursing sequence.

YOUR NEXT THREE STEPS

1. Review the exact program. Check the award, entry checklist and next start.
2. Build your full budget. Include preparation, supplies and travel.
3. Explore the connected career. Compare duties, Oregon wages and required preparation.

Program review: 2026-09-15. Evidence update: September 16, 2026.
