

# Welding Certificate

Klamath Community College · Certificate

Build welding skills through a one-year certificate in the Klamath Basin.

## BEFORE YOU APPLY

Review the one-year certificate requirements and ask about placement, tools and safety equipment.

## TIME, SCHEDULE & APPLICATION

1 year of program study. Prior credits, prerequisite placement and course availability can change your personal completion date.

## BUILD YOUR BUDGET

2026-27 resident rates vary by course: lecture \$125.50 per credit, lecture/lab \$180.50 and lab \$262. Nursing and surgical-technology lecture/clinical rates are \$162.50/\$415.50 per credit. Use your actual course mix; a single lecture rate cannot price the whole program. Add remaining program and living expenses; compare your cost after confirmed aid.

## CREDENTIALS & OUTCOMES

Welding programs differ in processes, practice hours and fabrication content. Employer skill tests and certifications can be separate from a college award. Ask which processes are used by local employers.

## YOUR NEXT THREE STEPS

1. [Review the exact program](#). Check the award, entry checklist and next start.
2. [Build your full budget](#). Include preparation, supplies and travel.
3. [Explore the connected career](#). Compare duties, Oregon wages and required preparation.
