Biology

Lewis & Clark College · Bachelor

Explore living systems through scientific investigation, laboratory methods and analysis.

BEFORE YOU APPLY

Ask which laboratory and supporting science courses must be completed in sequence.

TIME, SCHEDULE & APPLICATION

128 semester credits. Confirm the complete bachelor’s degree plan. Confirm which campus, field and overseas experiences fit the major without extending your graduation timeline.

BUILD YOUR BUDGET

2026-27 full-time undergraduate tuition is $70,658 for two semesters, plus a $360 student-body fee. Health insurance is listed separately at $5,655 annually (waiver rules apply). Housing, meals, books and other expenses are additional, before financial aid. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

Biology can support laboratory and research-related work. It is not a clinical license; medicine and many specialist research careers require further education.

YOUR NEXT THREE STEPS

1. Review the exact program. Match the award and location to the route you want.
2. Check preparation and timing. Ask for a personal course plan and the next admission steps.
3. Build your full budget. Include required charges, travel and living expenses.

Program review: 2026-09-15. Evidence update: September 16, 2026.
