

Computer Game Development

Mt. Hood Community College · Associate degree

Combines programming with 2-D/3-D assets, animation, game engines and interactive-media projects. A portfolio is important when comparing entry opportunities.

BEFORE YOU APPLY

Review programming and mathematics placement; transfer courses must fit the computing sequence.

TIME, SCHEDULE & APPLICATION

96–100 credits. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

The current catalog lists resident tuition of \$132.75 per credit for the first 18 credits in a term. Required fees and course-specific charges are additional. Confirm the applicable academic year and any overload pricing before calculating your bill. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

Build a project portfolio and practical experience. A degree does not guarantee a software development position. Census related-field median: \$49,035 at 1 year (combined cohorts; 2023 dollars). See profile for field, credential and coverage limits.

YOUR NEXT THREE STEPS

1. [Review the exact program](#). Check the award, entry checklist and next start.
2. [Build your full budget](#). Include preparation, supplies and travel.
3. [Explore the connected career](#). Compare duties, Oregon wages and required preparation.

Program review: 2026-09-15. Evidence update: September 16, 2026.
