

Accelerated Nursing BS

Oregon Health & Science University · Bachelor

Prepare for registered nursing through scientific study, practical learning and patient care.

BEFORE YOU APPLY

The reviewed page lists a prior non-nursing bachelor's, B- or higher prerequisite grades and minimum 3.0 cumulative and prerequisite GPAs.

TIME, SCHEDULE & APPLICATION

15 months full-time after prior degree and prerequisites. This is an intensive full-time program; discuss clinical shifts and realistic room for paid work before committing.

BUILD YOUR BUDGET

The reviewed program page lists \$623 per credit for Oregon residents and \$832 for nonresidents. Ask which academic year and courses the rates cover. Prerequisites, fees, clinical requirements, travel and living expenses are additional; request the campus-specific cost-of-attendance estimate. Do not multiply these rates by an assumed credit total.

CREDENTIALS & OUTCOMES

The nursing degree and authorization to practice are separate. Confirm graduation, NCLEX-RN and state licensing steps before assuming you can start work as an RN.

YOUR NEXT THREE STEPS

1. [Review the exact program](#). Match the award and location to the route you want.
2. [Check preparation and timing](#). Ask for a personal course plan and the next admission steps.
3. [Build your full budget](#). Include required charges, travel and living expenses.
