

Nursing — Three-Year BS

Oregon Health & Science University · Bachelor

Prepare for registered nursing through scientific study, practical learning and patient care.

BEFORE YOU APPLY

Check campus-specific timing, the stated 3.0 prerequisite GPA and minimum course grades against the current application guide.

TIME, SCHEDULE & APPLICATION

3-year nursing program after prerequisites. Plan for in-person study and clinical attendance at your selected campus; do not assume every clinical placement is local.

BUILD YOUR BUDGET

The reviewed program page lists \$450 per credit for Oregon residents and \$827 for nonresidents. Ask which academic year and courses the rates cover. Prerequisites, fees, clinical requirements, travel and living expenses are additional; request the campus-specific cost-of-attendance estimate. Do not multiply these rates by an assumed credit total.

CREDENTIALS & OUTCOMES

The nursing degree and authorization to practice are separate. Confirm graduation, NCLEX-RN and state licensing steps before assuming you can start work as an RN.

YOUR NEXT THREE STEPS

1. [Review the exact program](#). Match the award and location to the route you want.
2. [Check preparation and timing](#). Ask for a personal course plan and the next admission steps.
3. [Build your full budget](#). Include required charges, travel and living expenses.
