

Software Engineering Technology

Oregon Tech · Bachelor's degree

Study the full software lifecycle: designing systems, implementing code and testing requirements. Ask about project sequences and the technology specialties available at your campus.

BEFORE YOU APPLY

Review programming and mathematics placement; transfer courses must fit the computing sequence.

TIME, SCHEDULE & APPLICATION

BS; confirm the campus-specific degree map. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

2026-27 resident campus tuition for this differential-rate major is \$361.04 per credit, before mandatory and course fees. New and transfer campus students also pay a one-time \$350 matriculation fee. Online and nonresident rates differ; add books, equipment, placement travel and living expenses.

CREDENTIALS & OUTCOMES

Build a project portfolio and practical experience. A degree does not guarantee a software development position.

YOUR NEXT THREE STEPS

1. [Review the exact program](#). Check the award, entry checklist and next start.
2. [Build your full budget](#). Include preparation, supplies and travel.
3. [Explore the connected career](#). Compare duties, Oregon wages and required preparation.

Program review: 2026-09-15. Evidence update: September 16, 2026.
