Environmental Sciences

Oregon Tech · Bachelor

Applied research and fieldwork in the Klamath Basin combine natural sciences, data analysis and environmental investigation. The curriculum includes mapping and quantitative methods.

BEFORE YOU APPLY

Review the Environmental Sciences course map and have an advisor evaluate prior credits and placement before registering.

TIME, SCHEDULE & APPLICATION

Confirm your full degree plan. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

Oregon Tech’s 2026–27 Klamath Falls base resident tuition is $263.54 per credit. At 15 credits, the published fall–spring table lists $4,743.52 per term including mandatory fees. Add the $350 new-student matriculation fee, course-specific costs, books and living expenses. This is a term example, not the full degree price.

CREDENTIALS & OUTCOMES

Environmental science study can include laboratory, field and data work. Ask about internships and specialization. Some research or advanced positions require further education.

YOUR NEXT THREE STEPS

1. Review the exact program. Check the award, entry checklist and next start.
2. Build your full budget. Include preparation, supplies and travel.
3. Explore the connected career. Compare duties, Oregon wages and required preparation.
