Geomatics

Oregon Tech · Bachelor

Combine measurement, positioning, mapping and spatial analysis.

BEFORE YOU APPLY

Review the Geomatics course map and have an advisor evaluate prior credits and placement before registering.

TIME, SCHEDULE & APPLICATION

Confirm your full degree plan. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

2026-27 resident campus tuition for this differential-rate major is $361.04 per credit, before mandatory and course fees. New and transfer campus students also pay a one-time $350 matriculation fee. Online and nonresident rates differ; add books, equipment, placement travel and living expenses.

CREDENTIALS & OUTCOMES

A geomatics degree with a land surveying focus is one route to investigate. Surveying licensure has separate education, examination and experience requirements. GIS and surveying options are not interchangeable. Census related-field median: $62,818 at 1 year (2019–2021 cohorts; 2023 dollars). See profile for field, credential and coverage limits.

YOUR NEXT THREE STEPS

1. Review the exact program. Check the award, entry checklist and next start.
2. Build your full budget. Include preparation, supplies and travel.
3. Explore the connected career. Compare duties, Oregon wages and required preparation.

Program review: 2026-09-15. Evidence update: September 16, 2026.
