Business Administration

Pacific University · Bachelor

Build a foundation in organizational decisions, business operations and practical analysis.

BEFORE YOU APPLY

Choose a concentration before finalizing transfer credit and your upper-division plan.

TIME, SCHEDULE & APPLICATION

63.5–67.5 major credits; full degree requires more. Ask how internships or service-learning projects fit with required business classes.

BUILD YOUR BUDGET

The College of Undergraduate Studies lists $60,100 in tuition and fees for 2026-27. Books, supplies, housing, meals and personal expenses are additional. This is one academic year's published price before financial aid, not the full degree price. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

Entry roles vary, and management jobs usually require experience. Use projects and work placements to test which business function fits you.

YOUR NEXT THREE STEPS

1. Review the exact program. Match the award and location to the route you want.
2. Check preparation and timing. Ask for a personal course plan and the next admission steps.
3. Build your full budget. Include required charges, travel and living expenses.
