Psychology

Pacific University · Bachelor

Study behavior, research and human development as a foundation for people-focused work or further education.

BEFORE YOU APPLY

Review statistics and research-methods preparation before choosing advanced electives.

TIME, SCHEDULE & APPLICATION

40–48 major credits; full degree requires more. Plan for in-person study in Forest Grove and time to complete the senior research experience.

BUILD YOUR BUDGET

The College of Undergraduate Studies lists $60,100 in tuition and fees for 2026-27. Books, supplies, housing, meals and personal expenses are additional. This is one academic year's published price before financial aid, not the full degree price. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

This undergraduate degree does not qualify you as a licensed psychologist or therapist. Human-service support roles vary in their entry requirements; clinical practice generally requires additional education and professional approval.

YOUR NEXT THREE STEPS

1. Review the exact program. Match the award and location to the route you want.
2. Check preparation and timing. Ask for a personal course plan and the next admission steps.
3. Build your full budget. Include required charges, travel and living expenses.
