

Computer Information Systems

Portland Community College · Associate

Build skills in computing, networking and programming through the CIS department. Compare the general award with specialized options before selecting electives.

BEFORE YOU APPLY

Review the Computer Information Systems course map and have an advisor evaluate prior credits and placement before registering.

TIME, SCHEDULE & APPLICATION

2 years full-time. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

PCC publishes resident tuition of \$143 per credit. This is not the complete program price: add required fees, materials, any prerequisites and program-specific equipment and attendance costs.

CREDENTIALS & OUTCOMES

Computer science is one degree route. Related associate study can build skills, but transfer and hiring requirements vary. Projects, internships and problem-solving evidence matter alongside a credential.

YOUR NEXT THREE STEPS

1. [Review the exact program](#). Check the award, entry checklist and next start.
2. [Build your full budget](#). Include preparation, supplies and travel.
3. [Explore the connected career](#). Compare duties, Oregon wages and required preparation.
