

Cybersecurity

Portland Community College · Associate

The cybersecurity award sits within PCC's Computer Information Systems offerings. Match its network and security preparation with the actual experience expected in entry-level roles.

BEFORE YOU APPLY

Review the Cybersecurity course map and have an advisor evaluate prior credits and placement before registering.

TIME, SCHEDULE & APPLICATION

2 years full-time. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

PCC publishes resident tuition of \$143 per credit. This is not the complete program price: add required fees, materials, any prerequisites and program-specific equipment and attendance costs.

CREDENTIALS & OUTCOMES

Cybersecurity and IT programs build relevant skills. Analyst positions may require prior IT experience or additional credentials; a program title is not a guarantee of direct entry to an analyst role.

YOUR NEXT THREE STEPS

1. [Review the exact program](#). Check the award, entry checklist and next start.
2. [Build your full budget](#). Include preparation, supplies and travel.
3. [Explore the connected career](#). Compare duties, Oregon wages and required preparation.
