Portland Community College · Certificate

The EMT certificate is separate from the longer paramedic routes. Review entry requirements and the clinical, testing and licensing steps for the EMT level.

TIME, SCHEDULE & APPLICATION

Less than 1 year. Allow separately for prerequisite preparation, selection and the clinical start date.

BUILD YOUR BUDGET

PCC publishes resident tuition of \$143 per credit. This is not the complete program price: add required fees, materials, any prerequisites and clinical clearances, examinations and placement travel.

CREDENTIALS & OUTCOMES
