Industrial Mechanics and Maintenance Technology Apprenticeship

Portland Community College · Associate

The academic award provides related instruction within an apprenticeship pathway. Sponsor selection and paid workplace training are separate from college enrollment.

BEFORE YOU APPLY

Review the Industrial Mechanics and Maintenance Technology Apprenticeship course map and have an advisor evaluate prior credits and placement before registering.

TIME, SCHEDULE & APPLICATION

Academic award; confirm full apprenticeship term. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

PCC publishes resident tuition of $143 per credit. This is not the complete program price: add required fees, materials, any prerequisites and program-specific equipment and attendance costs.

CREDENTIALS & OUTCOMES

Industrial apprenticeships combine related instruction with work experience. Electro-mechanical study is another foundation to explore. Census related-field median: $56,124 at 1 year (2016–2020 cohorts; 2023 dollars). See profile for field, credential and coverage limits. Broad repair-technologies degree context, not apprenticeship pay.

YOUR NEXT THREE STEPS

1. Review the exact program. Check the award, entry checklist and next start.
2. Build your full budget. Include preparation, supplies and travel.
3. Explore the connected career. Compare duties, Oregon wages and required preparation.
