

Machine Manufacturing Technology

Portland Community College · Associate

Training develops machining and computer-aided manufacturing skills through modular courses. Discuss the degree's module sequence and shop access before choosing a work-compatible schedule.

BEFORE YOU APPLY

Review the Machine Manufacturing Technology course map and have an advisor evaluate prior credits and placement before registering.

TIME, SCHEDULE & APPLICATION

2 years full-time. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

PCC publishes resident tuition of \$143 per credit. This is not the complete program price: add required fees, materials, any prerequisites and program-specific equipment and attendance costs.

CREDENTIALS & OUTCOMES

Machine manufacturing study can include measurement, manual machining and CNC work. Compare shorter certificates, associate study and employer training. Ask about current equipment and practice time.

YOUR NEXT THREE STEPS

1. [Review the exact program](#). Check the award, entry checklist and next start.
2. [Build your full budget](#). Include preparation, supplies and travel.
3. [Explore the connected career](#). Compare duties, Oregon wages and required preparation.
