

Wire and TIG Welding

Portland Community College · Certificate

This focused certificate is part of the broader modular welding program. Confirm access to the modules needed for wire and TIG skills, and any separate qualification tests.

BEFORE YOU APPLY

Review the Wire and TIG Welding course map and have an advisor evaluate prior credits and placement before registering.

TIME, SCHEDULE & APPLICATION

Less than 1 year. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

PCC publishes resident tuition of \$143 per credit. This is not the complete program price: add required fees, materials, any prerequisites and program-specific equipment and attendance costs.

CREDENTIALS & OUTCOMES

Welding programs differ in processes, practice hours and fabrication content. Employer skill tests and certifications can be separate from a college award. Ask which processes are used by local employers.

YOUR NEXT THREE STEPS

1. [Review the exact program](#). Check the award, entry checklist and next start.
2. [Build your full budget](#). Include preparation, supplies and travel.
3. [Explore the connected career](#). Compare duties, Oregon wages and required preparation.
