

Computer Science

Portland State University · Bachelor

The bachelor's route includes a computing sequence and upper-division progression requirements. Evaluate transfer mathematics and programming courses before estimating the terms remaining.

BEFORE YOU APPLY

Review the Computer Science course map and have an advisor evaluate prior credits and placement before registering.

TIME, SCHEDULE & APPLICATION

180 credits. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

2026-27 resident undergraduate Engineering and Computer Science tuition is \$310.60 per credit. Mandatory, course and online fees, books and living expenses are additional. Use the engineering/computer-science rate rather than PSU's lower general base.

CREDENTIALS & OUTCOMES

Computer science is one degree route. Related associate study can build skills, but transfer and hiring requirements vary. Projects, internships and problem-solving evidence matter alongside a credential.
