Biology

Reed College · Bachelor

Explore living systems through scientific investigation, laboratory methods and analysis.

BEFORE YOU APPLY

Map supporting science courses and the department’s research-readiness requirements.

TIME, SCHEDULE & APPLICATION

Four-year roadmap with a senior thesis. Laboratory or field projects can require sustained attendance beyond scheduled lectures.

BUILD YOUR BUDGET

2026-27 full-time undergraduate tuition is $73,960 annually ($36,980 per semester), plus a $310 annual student-body fee. Housing, meals, books and other indirect expenses are additional; this is the published price before aid. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

Biology can support laboratory and research-related work. It is not a clinical license; medicine and many specialist research careers require further education.

YOUR NEXT THREE STEPS

1. Review the exact program. Match the award and location to the route you want.
2. Check preparation and timing. Ask for a personal course plan and the next admission steps.
3. Build your full budget. Include required charges, travel and living expenses.
