Biology

Southern Oregon University · Bachelor

Explore living systems through laboratory and scientific study, with options connecting to health and environmental interests.

BEFORE YOU APPLY

Map chemistry, mathematics and laboratory prerequisites early. Separate the biology major from any professional-school admission requirements.

TIME, SCHEDULE & APPLICATION

180 quarter credits. Confirm your full degree plan. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

The 2026-27 resident undergraduate annual budget lists $11,294.10 tuition and $2,675.25 fees ($13,969.35 combined). This is an annual institutional estimate, before books, living expenses and additional course charges; confirm your course load and any first-term fee. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

Biology provides scientific preparation. Clinical professions and independent research positions can require additional education or credentials.

YOUR NEXT THREE STEPS

1. Review the exact program. Check the award, entry checklist and next start.
2. Build your full budget. Include preparation, supplies and travel.
3. Explore the connected career. Compare duties, Oregon wages and required preparation.
