Ecology and Conservation

Southern Oregon University · Bachelor

Study ecological relationships and conservation through science and field experience in Southern Oregon.

BEFORE YOU APPLY

Ask how biology, quantitative methods and fieldwork build across the degree, especially if you are transferring science credits.

TIME, SCHEDULE & APPLICATION

180 quarter credits. Confirm your full degree plan. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

The 2026-27 resident undergraduate annual budget lists $11,294.10 tuition and $2,675.25 fees ($13,969.35 combined). This is an annual institutional estimate, before books, living expenses and additional course charges; confirm your course load and any first-term fee. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

Use field and data skills to explore environmental and conservation roles. Some specialist positions require experience or graduate study.

YOUR NEXT THREE STEPS

1. Review the exact program. Check the award, entry checklist and next start.
2. Build your full budget. Include preparation, supplies and travel.
3. Explore the connected career. Compare duties, Oregon wages and required preparation.
