Diesel Mechanic Technology

Southwestern Oregon Community College · Associate degree

The provider reports its fall 2026 cohort is full. Diesel instruction runs at least four days per week, six to seven hours per day, with additional academic courses required.

BEFORE YOU APPLY

Review shop safety, applied mathematics and diagnostic-tool expectations.

TIME, SCHEDULE & APPLICATION

2 years; next published intake fall 2027. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

2026-27 U.S.-resident tuition is $120 per credit, with a $42 per-credit fee and a $42 per-course fee. Distance courses add $46 per course; designated culinary courses add a $51 per-credit program fee. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

The degree supports diesel service work. A commercial driver license and industry certifications, if needed for a job, have separate requirements.

YOUR NEXT THREE STEPS

1. Review the exact program. Check the award, entry checklist and next start.
2. Build your full budget. Include preparation, supplies and travel.
3. Explore the connected career. Compare duties, Oregon wages and required preparation.
