

Manufacturing and Industrial Technology

Tillamook Bay Community College · Associate degree

Combines machining, welding, fluid power and process control. The published total is longer than a basic 90-credit associate; use the actual program map when estimating time and tuition.

BEFORE YOU APPLY

Review measurement, blueprint reading and mathematics placement.

TIME, SCHEDULE & APPLICATION

109–110 credits. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

2026–27 resident tuition is \$118 per credit plus a \$29 per-credit universal fee (\$147 combined), before course-specific charges. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

Match the curriculum to machining, production or maintenance roles. Employer equipment qualifications and safety training are separate.

YOUR NEXT THREE STEPS

1. [Review the exact program](#). Check the award, entry checklist and next start.
2. [Build your full budget](#). Include preparation, supplies and travel.
3. [Explore the connected career](#). Compare duties, Oregon wages and required preparation.

Program review: 2026-09-15. Evidence update: September 16, 2026.
