

Industrial Manufacturing & Automated Controls

Treasure Valley Community College · Associate

Explore electrical, electronic and control systems used in automated manufacturing.

BEFORE YOU APPLY

Review the degree plan and ask which math or technical courses you should take first.

TIME, SCHEDULE & APPLICATION

Confirm the current AAS sequence. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

2026-27 resident tuition is \$123 per credit; online/hybrid tuition is also \$123 per credit. Nonresident classroom tuition is \$133 per credit. Required and course-specific fees are additional. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

Industrial apprenticeships combine related instruction with work experience. Electro-mechanical study is another foundation to explore.

YOUR NEXT THREE STEPS

1. [Review the exact program](#). Check the award, entry checklist and next start.
2. [Build your full budget](#). Include preparation, supplies and travel.
3. [Explore the connected career](#). Compare duties, Oregon wages and required preparation.

Program review: 2026-09-15. Evidence update: September 16, 2026.
