Accounting

University of Portland · Bachelor

Learn financial reporting, analysis and accounting practices used by organizations.

BEFORE YOU APPLY

Ask for a plan for the BBA alone before comparing the extra requirements and costs of the combined route.

TIME, SCHEDULE & APPLICATION

BBA; optional five-year BBA/MBA pathway. Discuss recruiting, internships and the timing of upper-division accounting courses.

BUILD YOUR BUDGET

2026-27 full-time fall/spring tuition is $30,500 per semester for 12 or more credits. Professional tuition adds $160 per BSN nursing credit or $110 per engineering/business or nursing public-health-and-wellness credit. Other fees, books, living costs and summer study are additional, before financial aid. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

The degree and CPA licensure are separate. Check current education, examination and experience rules for your intended jurisdiction; do not assume a bachelor’s degree alone completes the route.

YOUR NEXT THREE STEPS

1. Review the exact program. Match the award and location to the route you want.
2. Check preparation and timing. Ask for a personal course plan and the next admission steps.
3. Build your full budget. Include required charges, travel and living expenses.
