

Nursing

University of Portland · Bachelor

Prepare for registered nursing through scientific study, practical learning and patient care.

BEFORE YOU APPLY

Use the nursing-specific admission guidance to check whether you qualify for first-year or transfer entry.

TIME, SCHEDULE & APPLICATION

Confirm the full BSN sequence. Ask for the schedule and location of clinical placements, not just the university's class calendar.

BUILD YOUR BUDGET

2026-27 full-time fall/spring tuition is \$30,500 per semester for 12 or more credits. Professional tuition adds \$160 per BSN nursing credit or \$110 per engineering/business or nursing public-health-and-wellness credit. Other fees, books, living costs and summer study are additional, before financial aid. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

The nursing degree and authorization to practice are separate. Confirm graduation, NCLEX-RN and state licensing steps before assuming you can start work as an RN.
