

Information Systems

Western Oregon University · Bachelor's degree

Bridges business operations and enterprise computing. The department specifies mathematics preparation equivalent to MTH 111 for entry to the program.

BEFORE YOU APPLY

Review mathematics placement and computing foundations before advanced systems courses.

TIME, SCHEDULE & APPLICATION

180 quarter credits. Bachelor's degree; review the BS/BAS route. Prior credits, prerequisite placement and course availability can change your personal completion date.

BUILD YOUR BUDGET

The 2026-27 resident undergraduate budget lists \$10,350 tuition and \$2,283 mandatory fees for three terms at 15 credits per term. This \$12,633 annual base excludes books, living expenses and additional course charges; your entry year and course load can change billing. Add remaining program and living expenses; compare your cost after confirmed aid.

CREDENTIALS & OUTCOMES

IT support and systems roles have different experience requirements. Employer certifications and practical troubleshooting remain important.

YOUR NEXT THREE STEPS

1. [Review the exact program](#). Check the award, entry checklist and next start.
2. [Build your full budget](#). Include preparation, supplies and travel.
3. [Explore the connected career](#). Compare duties, Oregon wages and required preparation.

Program review: 2026-09-15. Evidence update: September 16, 2026.
